- September 9, 2024 – Regular Board Meeting Minutes

Board Discussion/Public Comment/Board Action

Dir. Regelbrugge requested that Item 8-c be corrected to show the amount he originally suggested was \$10, 000, and that subsequent board discussion raised the amount to \$15, 000. Dir. Williams moved, Dir. Hill seconded to approve amended minutes. Approved unanimously.

## **4. Correspondence**

- The Board will consider and possibly act upon any correspondence received since the prior Regular Meeting. Correspondence sent will also be reviewed.

Board Discussion/Public Comment/Board Action

FEMA contacted District with information for closeout of grant. Dir. Regelbrugge sent this information earlier in the year, but sent another copy and has not heard from FEMA again.

Dir Williams entered the meeting at 7:15.

## **5. General Managers Report**

- Recent activities.
  - FEMA closeout report was resent to FEMA.
  - Evergreen Tree and Turf treated roadsides 26 Nov 2025. Billing was received on December 2 and forwarded to Finance Officer. GM White recommends holding off on completing paving of final .7 mile of Crystal until other improvements are made.
  - At 5848 Dolomite ditch was improved.
  - At 5880 Dolomite water was running around-not through-culvert, resulting in potential undermining of culvert.
- Near-term plans. Continue regular maintenance of roadways.
- Issues and requests.
  - Culvert at 5765 Dolomite has water lines and other cabling inside resulting in plugged culvert and flooding. Home owner told us to remove them if we wanted them gone. Vicini came out to do work and ended up using more materials and work than anticipated.
  - The adjacent property had new larger culvert put in. There is an additional driveway without a culvert that might need improvement. Discussion.

Board Discussion/Public Comment/Board Action

Dir. Regelbrugge would like someone to review Ordinance 6 specifically as to utility companies, with a view to include county specifications in the ordinance and to include all types of lines and cables. Dir. Hill volunteered to follow up on this issue.

## **6. Director Reports**

Director Williams. Working on speeding issue but nothing to report.

Director Stoddard – Financial Officer’s Report. As of Dec 2 \$9, 400 of budgeted amount has been spent, leaving \$12, 002 in road maintenance budget. Invoice list was provided. John McConnell will put financial report on web site.

Director Orrick. No report.

Director Hill. No report.

Director Regelbrugge – Year-in-Review & Looking Ahead

To Zoom or not to Zoom? Usage is very low. Dir. Regelbrugge recommends we cancel this subscription due to low community use. We can resubscribe if there is community demand.

Small projects last year were very effective, especially ditch and roadside maintenance.

One newsletter went out, and another is up for review to be distributed in early 2026.

Board Discussion/Public Comment/Board Action

## **7. Old Business**

- **Newsletter** – The Board will discuss and may recommend alterations and/or approve issuance of a Newsletter to the citizens of the District to occur after January 1, 2026.

Board Discussion/Public Comment/Board Action

Dir. Regelbrugge discussed contents of newsletter, whose purpose is to get people thinking about increasing their taxes for road improvements. Dir. Regelbrugge would like to try to go up to \$360 at the next election. Language was suggested by board members. Dir. Regelbrugge will work with Dir. Hill on final version prior to mailing in January 2026.

    - GM White would like backup when community members confront him on issues/concerns in the field. With particularly confrontational members, GM should call a board member to assist him on site. Keep in mind that no more than two board members can be present at the same time.
    - Decisions on site and potential cost overruns are GM's call. As to project increases, board tries to approve sufficient funds to cover possible overruns.
